

Stepan Company Completes Sale of Philippine Assets, Advancing Strategic Focus on Core Growth

November 20, 2025

NORTHBROOK, Ill., Nov. 20, 2025 /PRNewswire/ -- Stepan Company (NYSE: **SCL**) today announced the successful closing, on November 14, 2025, of the sale of its subsidiary, Stepan Philippines Quaternaries, Inc. (SPQI), manufacturing assets located in Bauan, Batangas, Philippines to Masurf, Inc., a subsidiary of Musim Mas Holdings Pte. Ltd. This transaction fulfills SPQI's previously announced Asset Transfer Agreement, dated May 27, 2025, and underscores Stepan's commitment to its strategic priorities. As part of closing, SPQI entered into a tolling agreement with Masurf for the continued service of SPQI customers in Southeast Asia. Terms of the transaction were not disclosed.

"The successful closing of this transaction is an important step in Stepan's ongoing strategy to sharpen our focus on core growth assets. We are pleased to have delivered on our commitment to stakeholders and to continuing positioning Stepan for future success," said Luis Rojo, President and Chief Executive Officer of Stepan. "Our global manufacturing network, complemented by our new tolling relationship with Masurf ensures uninterrupted service and growth opportunities for our customers in Southeast Asia. I want to extend my sincere gratitude to our Philippines team for their dedication and contributions over the past three decades. They have been instrumental to our success, and we are confident the facility will thrive under Masurf's stewardship."

With a sharpened focus on core growth assets and a robust global network, Stepan is well-positioned to deliver value to customers and stakeholders worldwide.

Corporate Profile

Stepan Company is a major manufacturer of specialty and intermediate chemicals used in a broad range of industries. Stepan is a leading merchant producer of surfactants, which are the key ingredients in consumer and industrial cleaning and disinfection compounds and in agricultural and oilfield solutions. The Company is also a leading supplier of polyurethane polyols used in the expanding thermal insulation market, and CASE (Coatings, Adhesives, Sealants, and Elastomers) industries.

Headquartered in Northbrook, Illinois, Stepan utilizes a network of modern production facilities located in North and South America, Europe and Asia.

The Company's common stock is traded on the New York Stock Exchange (NYSE) under the symbol SCL. For more information about Stepan Company please visit the Company online at www.stepan.com

Certain information in this news release consists of forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These statements include statements about Stepan Company's plans, objectives, strategies, financial performance and outlook, trends, the amount and timing of future cash distributions, prospects or future events and involve known and unknown risks that are difficult to predict. As a result, Stepan Company's actual financial results, performance, achievements or prospects may differ materially from those expressed or implied by these forward-looking statements. In some cases, you can identify forward-looking statements by the use of words such as "may," "could," "expect," "intend," "plan," "seek," "anticipate," "believe," "estimate," "guidance," "predict," "potential," "continue," "likely," "will," "would," "should," "illustrative" and variations of these terms and similar expressions, or the negative of these terms or similar expressions. Such forward-looking statements are necessarily based upon estimates and assumptions that, while considered reasonable by Stepan Company and its management based on their knowledge and understanding of the business and industry, are inherently uncertain. These statements are not guarantees of future performance, and stockholders should not place undue reliance on forward-looking statements.

There are a number of risks, uncertainties and other important factors, many of which are beyond Stepan Company's control, that could cause actual results to differ materially from the forward-looking statements contained in this news release. Such risks, uncertainties and other important factors include, among other factors, the risks, uncertainties and factors described in Stepan Company's Form 10-K, Form 10-Q and Form 8-K reports and exhibits to those reports, and include (but are not limited to) risks and uncertainties related to accidents, unplanned production shutdowns or disruptions in manufacturing facilities; reduced demand due to customer product reformulations or new technologies; our inability to successfully develop or introduce new products; compliance with laws; our ability to identify suitable acquisition candidates and successfully complete and integrate acquisitions; global competition; volatility of raw material and energy costs and supply; disruptions in transportation or significant changes in transportation costs; downturns in certain industries and general economic downturns; international business risks, including currency exchange rate fluctuations, legal restrictions and taxes; unfavorable resolution of litigation against us; maintaining and protecting intellectual property rights; our ability to access capital markets; global political, military, security or other instability; costs related to expansion or other capital projects; interruption or breaches of information technology systems; our ability to retain executive management and key personnel; and our debt covenants.

These forward-looking statements are made only as of the date hereof, and Stepan Company undertakes no obligation to update or revise these forward-looking statements, whether as a result of new information, future events or otherwise.
