Explanation of Responses:

1. This Form 4/A corrects the number of shares received as a result of performance shares vesting. The number of shares reported on the reporting person's Form 4 filed on February 20, 2024 was miscalculated due to an administrative error.

2. Each performance share represents a contingent right to receive one share of Stepan Company common stock. The performance shares vested upon the certification of Stepan Company achieving certain performance goals for the performance period ending December 31, 2023.
