

**STEPAN COMPANY BOARD OF DIRECTORS
AUDIT COMMITTEE CHARTER
Amended April 27, 2021**

I. PURPOSE

The Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Stepan Company (the “Company”) is appointed by the Board (1) to assist the Board in fulfilling its oversight responsibilities to stockholders, the investment community, and creditors in relation to (a) the quality and integrity of the Company’s financial statements, (b) the adequacy of the Company’s internal controls over financial reporting, (c) the Company’s compliance with legal and regulatory requirements (in coordination with the Board’s Compliance Committee), (d) the qualifications and independence of the Company’s registered public accounting firm (the “Independent Auditor”), and (e) the performance of the Independent Auditor and the Company’s internal audit function; and (2) to prepare the Committee’s report, made pursuant to the Securities Exchange Act of 1934, as amended (the “Exchange Act”), to be included in the Company’s annual proxy statement (the “Audit Committee Report”). In performing its duties, the Committee will provide an open avenue of communication between the Board, the Independent Auditor, internal auditors, and financial management.

II. LIMITATION OF THE AUDIT COMMITTEE’S ROLE

While the Committee has the responsibilities and powers set forth in this charter, it is not the duty of the Committee to plan or conduct audits, to establish or maintain disclosure controls or procedures, or to determine that the Company’s financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles (“GAAP”) and applicable rules and regulations. These are the responsibilities of management and the Independent Auditor. Further, while the Committee has responsibility for discussing the Company’s policies with respect to risk assessment and management, it is the responsibility of management to assess and manage the Company’s exposure to risk.

Additionally, the Board and the Committee recognize that financial management (including the internal audit staff), as well as the Independent Auditor, have more knowledge and detailed information regarding the Company than do Committee members; consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurances as to the Company’s financial statements or any professional certification as to the Independent Auditor’s work.

III. COMPOSITION

Size. The Committee shall be comprised of no fewer than three members.

Qualifications. Each member of the Committee shall satisfy the applicable independence requirements set forth in the rules of the New York Stock Exchange (the “NYSE”) and the Exchange Act. Each Committee member may receive as compensation

only (1) director fees and/or (2) pension payments or other deferred compensation provided that such compensation is not in any way contingent on continued service. To maintain independence, a Committee member may not (a) accept any consulting, advisory, or other compensation fee from the Company; or (b) be an affiliated person of the Company or any subsidiary.

All Committee members shall be financially literate or become financially literate within a reasonable period of time after appointment to the Committee. Additionally, at least one member of the Committee shall be an “audit committee financial expert” as defined by the Securities and Exchange Commission (the “SEC”) and shall have accounting or related financial management expertise. The Board shall determine, in its business judgment, whether a member is financially literate and whether at least one member has the requisite accounting or financial management expertise and qualifies as an audit committee financial expert. The designation or identification of a person as an audit committee financial expert shall not (i) impose on such person any duties, obligations or liability that are greater than the duties, obligations and liability imposed on such person as a member of the Committee and Board in the absence of such designation or identification, or (ii) affect the duties, obligations or liability of any other member of the Committee or Board.

No Committee member may simultaneously serve on the audit committees of more than three public companies (including the Company).

Appointment and Removal. The members of the Committee shall be appointed and may be replaced by the Board. The Board shall appoint one member of the Committee as Committee Chair.
